

Aliens Act, Article 4

- 1 A carrier through whose intervention a foreign national has been brought to an external border or into the territory of the Netherlands shall take the necessary measures and exercise such supervision as may reasonably be expected of it to prevent a situation in which the foreign national does not comply with Article 5(1)(a) or (b) of the Schengen Borders Code or with Article 3(1)(a) Aliens Act.
- 2 A carrier may be required to take a copy of the border-crossing document relating to the foreign national and to submit this to the border control officers.
- 3 The carrier referred to in the first paragraph may, for the purpose of border control and the prevention of illegal immigration, be required to collect passenger data or crew data and to provide such data to the border control officers.
- 4 Further rules concerning the application of paragraphs 1 to 3 may be laid down by or pursuant to an Order in Council. In order to implement a convention or a binding EU legal act, it shall also be possible to depart from Article 2:13(1) of the General Administrative Law Act.
- 5 Paragraphs 1 to 2 shall also apply to every carrier that is guilty of violating outside the Netherlands the obligations referred to in these paragraphs.
