

## **Aliens Act, Article 5**

- 1 A foreign national who has been refused entry into the Netherlands shall leave the Netherlands immediately, in compliance with the directions given to him for that purpose by a border control officer.
- 2 If the foreign national referred to in paragraph 1 has entered the Netherlands on board a vessel or aircraft operated by a carrier, he should leave the Netherlands immediately by this means of transport or a means of transport designated by a border control officer.
- 3 The obligations referred to in paragraphs 1 and 2 shall not apply if the foreign national submits an application for the issue of a residence permit as referred to in Articles 28 or 33 and no decision has been given on this application yet.
